Students will select their courses and submit their requests using a Google form. Descriptions of classes can be found in our District Course Catalog located on the OUSD Secondary Education Counseling Website. Students who do not choose courses during the specified time will have their classes selected by their counselor. **FRESHMAN MUST have a minimum of 6 classes both semesters.**

Advanced Placement (AP)/Honors Request: Please understand that AP/Honors are rigorous courses that will require additional time and homework to be successful. As a condition of enrollment the student is expected to remain in the class for the entire year. When permitted, dropping at the semester is possible only if there is room in the new course.

We understand that every effort will be made to give students the courses they have selected. If a student wants to change his/her course selection, they must attend summer registration in August of 2021. These changes will be allowed ONLY if there is room in the new course requested. Schedule changes will not be made once the new school year begins.

Both signatures are required for course requests to be processed on time and to give you first priority for your electives.
